

Olivehurst Public Utility District

Agenda Item Report

Meeting Date: July 6, 2023

Item description/summary:

New roof on Fire station: The roof on the fire station is severely damaged from last winter storms. The fire station roof cannot make it through another winter. The current roof has multiple hole which has caused sheet rock damage inside the fire apparatus bay. Staff recommending the board to approve staff to start the bid process for a new roof and sheetrock repair on the fire station.

Fiscal Analysis:

No impact to budget. Funding will be from Fire Mitigation Fees.

Employee Feedback

Sample Motion:

Approving staff to open advertisement for bid on station roof and sheetrock repair.

Prepared by:

Randy York, Fire Chief.
