Dear OPUD,

I run a local girls softball team. We are not affiliated with any leagues. We play in tournaments through Northern Ca and Reno. We have about 75% of our team living in Plumas Lake and others from Yuba and Sutter county. These are girls that play in Little League but also want to play in at a more competitive level. To do that we play in tournaments.

The coaches are volunteers and do not get paid.

The girls pay the tournament directors to play in tournaments, no fees come to the team.

We would like to have the use of Eufay Park, South Field from 9 am to 12 pm on Sundays. Our season will run from now until July, we will take the month of August off and start again in September through November.

Thank you for your consideration,

Anisa Cook

Hello Anisa,

We will still need a list of all fees associated with the league. We would also need you to write a letter requesting consideration of a field use agreement along with dates, times, and which fields you are interested in using. Once I get that information, I can bring it to the Parks Committee for review and discussion. Depending on the outcome from that meeting, there may be additional information that we would need, or it can be referred to the board for final decision. Please let me know if you have any questions.

Hi Bri Anne,

I don't charge any fees that go to me. The only fees that have been paid are to order the girls uniforms and then the fees that go directly to any tournaments we play in.

Literally just a coach trying to get a designated spot for her team to practice.

Thanks,
Anisa

Hello Anisa,

Since you are no longer with Lincoln, that contract is over, and you would need to request a new one. Since you are also not a non-profit, we would need to determine how much to charge your organization for field use. It would be based on the fees you charge your players. If you would still like to move forward with a use agreement, please send me over your complete list of fees that you charge along with an official request for a use agreement, and we can start moving forward.

Thank you,

Hi Bri Anne,

If I no longer a tax exempt am I still able to have a contract? We decided as a team to not go out of Lincoln and are no longer under a nonprofit. I'm in the process of starting one.

We would like to continue to have usage of a field on Sundays.

Hello Anisa and Amy,

The use agreement with LGSA has expired. Are you wanting to revisit the agreement and modify the property usage? Please let me know if you do so I can add it to the next parks committee agenda. If not, we will file the agreement away as expired.
