

Olivehurst Public Utility District

Agenda Item Staff Report

Meeting Date: August 20, 2026

Item description/summary: Closing Unused Positions Report

With the onset of AB 2561 which mandates public agencies hold a public hearing on job vacancies, recruitment, and retention efforts, and reporting annually any position vacancies, it is imperative that OPUD make sure that any unused positions are officially closed. We currently have two position descriptions that need to be officially closed as there are no plans to use these in the near future. The two position descriptions are:

Wastewater Operations Manager
Public Works Engineer

Fiscal Analysis:

Not applicable

Sample Motion/Staff Recommendation:

Consider officially closing the Wastewater Operations Manager and Public Works Engineer position descriptions – D/A
