Agenda Item Staff Report

Meeting Date: 03/19/2020

Item description/summary:

Receive an update on the status of OPUD Park Grants:

Unfortunately, OPUD's grant applications for both the Plumas Lake Community Park and the Olivehurst Community park have been rejected. The grant was *extremely* competitive, with a total request of \$2.3 Billion and a grant award total of only \$254.9 million. At this time, we are continuing with the schematic design of the Plumas Lake Community Park. There will be another round of grant funding through the same program within the next few years.
