

Olivehurst Public Utility District

Agenda Item Staff Report

Meeting Date: 10/21/2021

Item description/summary:

Discuss possible project locations for the Per Capita Grant.

As discussed in previous committee and Board meetings, OPUD received a Per Capita Grant in the amount of \$177,952. Possible project locations discussed were Tahiti Village Park(s), Lindhurst Memorial Park, and Johnson Park. Tahiti Village would be a great location, but the amount awarded wouldn't be enough to do much in the empty site. A grant application for the Tahiti Village Parks as part of the Statewide Park Program (Prop 68) was submitted, however we have yet to find out the award status and there is no exact date as to when they will notify. The Per Capita grant can only be used at one park location. A full and completed application packet with project scope and estimated costs is due no later than December 31, 2021.

Fiscal Analysis:

There is a match required for the Per Capita grant. If the full amount allocated to us is used, we would be required to give a match of \$44,488
