

RESOLUTION NO. 2147

**A RESOLUTION OF
THE BOARD OF DIRECTORS OF THE
OLIVEHURST PUBLIC UTILITY DISTRICT
DETERMINING TO PROCEED WITH ESTABLISHING THE
OLIVEHURST PUBLIC UTILITY DISTRICT
COMMUNITY FACILITIES DISTRICT NO. 2006-1 (FEATHER GLEN)**

WHEREAS, the Board of Directors ("Board") of the Olivehurst Public Utility District, on October 19, 2006, adopted its Resolution No. 2138 (the "Resolution of Intention") (i) declaring its intention to establish the Olivehurst Public Utility District Community Facilities District No. 2006-1 (Feather Glen) (the "CFD No. 2006-1") pursuant to the Mello-Roos Community Facilities Act of 1982 (Chapter 2.5, Part 1, Division 2, Title 5 (commencing with Section 53311) of the California Government Code) (the "Act"), (ii) proposing to levy a special tax therein for the purpose of providing for the financing of the construction and acquisition of certain public facilities (the "Facilities") described in Exhibit A thereto, (iii) declaring the necessity of incurring a bonded indebtedness to finance the acquisition and construction costs of the Facilities and incidental expenses thereof, and (iv) calling a public hearing on the establishment of the CFD No. 2006-1 and the incurrence of bonded indebtedness;

WHEREAS, before the time for the hearing, as directed in the Resolution of Intention, the General Manager filed with the Board the report required by California Government Code section 53321.5 (the "Hearing Report");

WHEREAS, a notice of the hearing was duly published as required by the Act, as evidenced by the affidavit of publication on file with the District Clerk;

WHEREAS, the hearing originally scheduled for November 30, 2006 was continued to December 21, 2006, and continued again to January 18, 2007;

WHEREAS, pursuant to the Act and the Resolution of Intention, a public hearing was convened by the Board on January 18, 2007, not earlier than 7:00 p.m., at the regular meeting place of the Board, 1970 9th Avenue, Olivehurst, California, relative to the establishment of the CFD No. 2006-1;

WHEREAS, at the hearing, the testimony of all interested persons, including all taxpayers, property owners, and registered voters within the CFD No. 2006-1, desiring to be heard on the establishment of the CFD No. 2006-1, the extent thereof, the furnishing of specified types of public facilities, the proposed special tax, the incurrence of a bonded indebtedness, or any other matters set forth in the Resolution of Intention was heard and considered, and a full and fair hearing was held thereon, whereupon the hearing was closed; and

WHEREAS, no written protests against the establishment of the CFD No. 2006-1, the furnishing of specified type or types of facilities within the CFD No. 2006-1 as listed in the Hearing Report, or the levying of the special tax have been filed.

NOW, THEREFORE, BE IT RESOLVED by the Board of Directors of the Olivehurst Public Utility District that:

1. **Recitals.** The foregoing recitals are true and correct.
2. **Hearing Report.** The Board hereby makes the Hearing Report a part of the record of the hearing.
3. **Protests.** Because no written protests against the establishment of the CFD No. 2006-1, the furnishing of specified type or types of facilities within the CFD No. 2006-1 as listed in the Hearing Report, or the levying of the special tax have been filed, no action by the Board in response to protests or passing upon them is required.
4. **Determination to Proceed.** On the basis of all of the foregoing, the Board hereby determines to proceed with establishing the CFD No. 2006-1 and directs staff to submit a resolution of formation for consideration at a later Board meeting.
5. **CEQA Compliance.** The environmental impacts of construction of the public facilities that will be needed to serve development in the North Arboga Study Plan area, including the Facilities, which is a "project" within the meaning of the California Environmental Quality Act ("CEQA"), were analyzed in the environmental impact reports prepared for the County of Yuba General Plan and the North Arboga Study Plan prior to their approval by the Yuba County Board of Supervisors, as required by CEQA. The Board hereby determines that establishing the CFD No. 2006-1 will not be a "project" as defined in CEQA (see CEQA Guidelines section 15378(c)).

PASSED AND ADOPTED this 18th day of January 2007.
