Item description/summary:

BILL SHAW GRANT: Fire has received the Bill Shaw grant in the amount of \$10,000.00. This grant is for rescue equipment. The grant is through the Yuba Water Agency. There is no match for the grant. We will be using the money to buy swift water rescue gear and aging rescue rope. This grant will be able to provide additional training for firefighters in swift water rescue and flood tactics. Without the financial assistance we would not have been able to purchase the gear or send personnel to training.
