

Olivehurst Public Utility District

Agenda Item Report

Meeting Date: April 20, 2023

Item description/summary:

Consider approving the proposed changes to the special events policy and application process.

The current special events policy was created in 2013 and has yet to be updated to include charging a fee for the application reviewal process as well as what deposit charges will be required. As the parks are becoming more popular for special events, Park staff are having to do more cleanup work after events which takes their time away from maintaining all of the parks within the District and adds more work to their routine duties. They are having to remove more trash than normal park usage at OPUD's expense which is considered a gift of public funds. Adding administrative costs for the application along with a cleaning/deposit fee will offset the expenses that OPUD will incur thus eliminating the gift of public funds.
