Agenda Item Staff Report

Meeting Date: 08/20/2020

Item description/summary:

Receive an update on the Prop 68 Round 4 Grant

Round 4 of the Prop 68 Parks Grant was recently announced with a funding total of \$395 million. Recall that OPUD applied during round 3 of this grant and did not receive funding for either of the projects submitted. I attended an online seminar for this grant on August 13th that explained the process for this year's application. If you have any specific questions I would be happy to answer. I plan to reapply for the same project sites as last year but can apply for other sites if requested. An authorizing resolution for the Prop 68 grant will be presented in the coming months.

None. There is no matching requirement for this grant.
