Dear Local Business:

The Olivehurst Linda Little League Major Girls continue their undefeated season beating American Canyon on Sunday 7/14/2019 winning the NorCal Section Championship and securing their spot at the Little League Western Regions tournament in San Bernardino, Ca. The western Regions tournament is double elimination and runs from July 20th-26th. The OL Girls will play their first game against Alaska on Saturday 7/20/2019 at 12pm. The games will be broadcasted on the ESPN+ App and Game Changer.

The twelve girls on this team, ages 11-12, have worked extremely hard to get to this level and their commitment and determination to succeed is second to none.

To offset the costs of traveling to San Bernardino, we are looking to local businesses to support us by donating so that we may raise enough funds to cover travel expenses. We only have 3 days to fundraise enough funds to help send these girls down South. Your support through donations will be greatly appreciated.

Thank You,

From the Olivehurst-Linda Players, Coaching Staff, and Parents
