

# Olivehurst Public Utility District

## Agenda Item Staff Report

**Meeting Date: September 19, 2019**

### **Item description/summary:**

#### **Consider approving purchase of F550 truck with Dump body**

The wastewater collections department and water department are in need of a new dump truck to replace their current dump truck that is around 40 years old. Bid advertisements were sent out after the last board meeting. Bids were received from two local Ford dealerships. The apparent low bidder was Geweke Ford with a bid of \$61,866.72.

### **Fiscal Analysis:**

The cost will be split 50/50 between the water and wastewater vehicle replacement budget.

### **Employee Feedback**

Staff are very excited at the prospect of a new dump truck.

### **Sample Motion:**

Move to purchase new 2019 Ford F550 from Geweke Ford for the price of \$61,866.72.

Prepared by:

Christopher Oliver, Public Works Engineer
